Bonn, 14.11.2019

Certification body

Date of the certification decision: 14.11.2019

The certificate is valid until **14.12.2021**

Only the data in the software platform are decisive for the delivery authorization of approved locations, since deviations due to contract date, blocking, etc. may be present. This certificate is owned by the certification body and must be returned upon request. The basis for testing is the QS system manual in the version valid at the time of the audit.
